**Kartierungsergebnisse des 8. südböhmisch – oberösterreichischen
Botanikertreffens in Bad Goisern (OÖ),
21. – 27. Juli 1997**

P. A. KRAML

Abstract: The distribution of vascular plants in the environs of Bad Goisern (Upper Austria) is presented in form of an atlas, which shows primarily the results of the 8th meeting of Southern Bohemian and Upper Austrian botanists in Bad Goisern (21st to 27th July 1997). This results are confronted with the already known but unpublished data of the mapping of Austrian flora.

Key words: Bad Goisern, vascular plants, mapping of the flora.

Einleitung

Dieser kleine Verbreitungsatlas der Gefäßpflanzen der Umgebung von Bad Goisern fasst in erster Linie die Ergebnisse der Kartierungsarbeit während des 8. südböhmisch – oberösterreichischen Botanikertreffens 1997 in Bad Goisern zusammen. Die Aufgabe des Autors bestand daher lediglich im Sammeln und Ordnen der von den Teilnehmern gelieferten Kartierungsdaten. Für die Kartendarstellung wurde eine kleine Delphi-Anwendung programmiert.

Kartierungsmethode

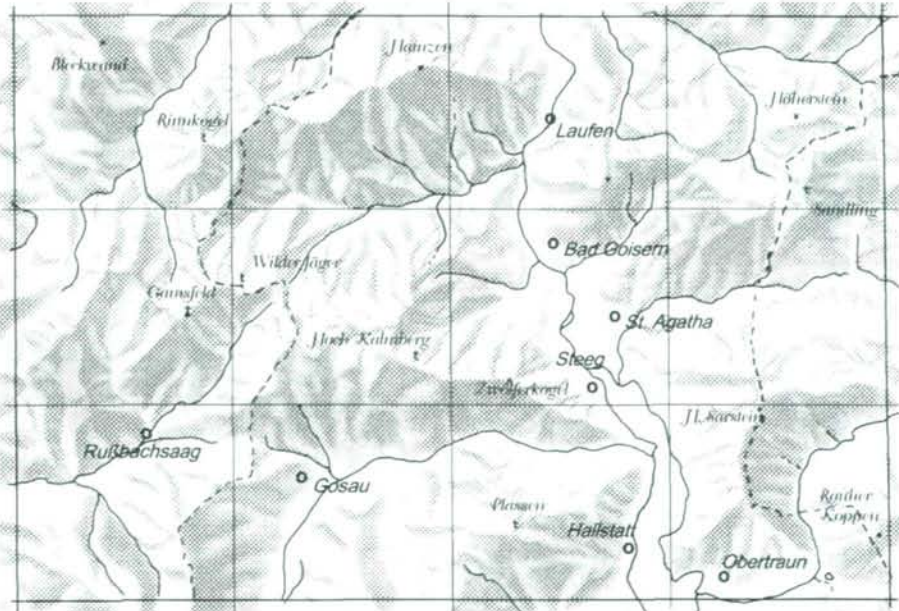

Die Verbreitungsangaben der Pflanzensippen entsprechen der Punktrasterkartierung auf Quadrantenbasis im Sinne der Österreichischen Florenkartierung (vgl. NIKLFELD). Dabei wurden die oberösterreichischen Anteile der in der Karte angegebenen Quadranten bearbeitet. Das Kartierungsgebiet wurde so gewählt, dass es als Fortsetzung des „Atlas der Gefäßpflanzenflora des Dachsteins“ (BOTANISCHE ARBEITSGEMEINSCHAFT) gesehen werden kann. Eine Signatur in einem Quadranten gibt das Vorkommen einer Art – unabhängig von ihrer Häufigkeit – an. Die Verbreitungskärtchen enthalten folgende Quadranten der Grundfelder Gamsfeld, Bad Goisern, Bad Aussee, Abtenau, Hallstatt und Obertraun:

Tab. 1: Kartierungsquadranten.

8346/2 Gamsfeld	8347/1 Bad Goisern	8347/2 Bad Goisern	8348/1 Bad Aussee
8346/4 Gamsfeld	8347/3 Bad Goisern	8347/4 Bad Goisern	8348/3 Bad Aussee
8446/2 Abtenau	8447/1 Hallstatt	8447/2 Hallstatt	8448/1 Obertraun

Vorliegende Kartierungsdaten

Schon vor der Exkursion wurde für jeden Teilnehmer ein entsprechender Verbreitungsatlas mit den bereits bekannten Kartierungsergebnissen zusammengestellt (BRANDSTÄTTER ET AL.). Für diesen vorläufigen Atlas wurden uns von Prof. Dr. Harald Niklfeld Daten der Österreichischen Florenkartierung in Form von Textdateien zur Verfügung gestellt. Weiters wurden dafür Verbreitungsangaben der im Biologiezentrum in Linz liegenden Geländelisten und einige Angaben der Autoren verwendet.

**Abb. 1:** Kartierungsgebiet um Bad Goisern.

Exkursionsergebnisse

In den vorliegenden Verbreitungskärtchen werden nun sowohl bereits bekannte Angaben wie auch die bei der Exkursion erarbeiteten angeführt. Alte und neue Daten sind durch unterschiedliche Signaturen gekennzeichnet.

Tab. 2: Erklärung der Signaturen.

Vor der Exkursion bekannt	Exkursionsergebnisse
* indigen (einheimisch)	■ indigen (einheimisch)
n in der Neuzeit eingebürgert	N in der Neuzeit eingebürgert
s synanthrop im allgemeinen	S synanthrop im allgemeinen
a adventiv (unbeständig)	A adventiv (unbeständig)
c nur kultiviert	C nur kultiviert
? Status unklar	~ Status unklar

Taxonomie

Die Taxonomie richtet sich so weit wie möglich nach ADLER ET AL. In einigen Fällen werden bei ADLER ET AL. nicht erwähnte Klein- und Zwischenarten angeführt. Diese sind in Klammern gestellt. Für *Hieracium* folgt die Nomenklatur HEGI. Für einige auf der Basis der Sippsystematik von EHRENDORFER kartierten Sippen, die bei ADLER ET AL. neu gefasst wurde, mussten die Taxa nach EHRENDORFER beibehalten werden. Sie sind durch Anführungszeichen gekennzeichnet.

Danksagung

Herzlicher Dank sei gesagt: Herrn Prof. Dr. Harald Niklfeld für die Kartierungsdaten, die er für die Vorbereitung der Exkursion zur Verfügung gestellt hat und allen Exkursionsteilnehmern, die mit ihrer Gelände- und Bestimmungsarbeit die neuen Daten geliefert haben.

Pedicularis rostratospicata
subsp.rostratospicata

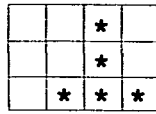

Pedicularis sylvatica

Pedicularis - Pinguicula

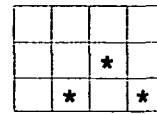

Pedicularis verticillata

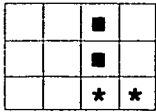

Persicaria bistorta

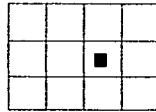

Persicaria hydropiper

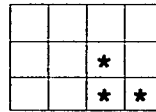

Persicaria lapathifolia

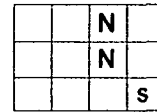

Persicaria maculosa

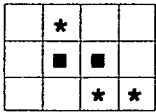

Persicaria minor

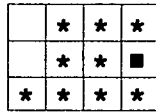

Persicaria mits

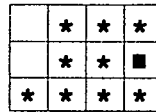

Persicaria polystachya

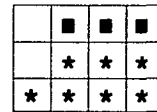

Persicaria vivipara

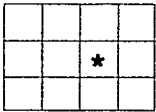

Petasites albus

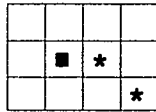

Petasites hybridus

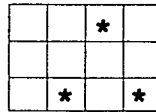

Petasites paradoxus

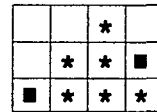

Peucedanum oreoselinum

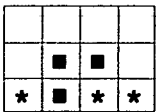

Peucedanum ostruthium

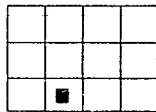

Phalaris arundinacea

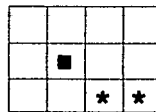

Phegopteris connectilis

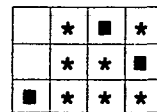

Phleum alpinum agg.

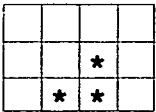

< *Phleum commutatum*

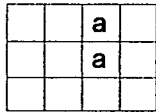

< *Phleum rhaeticum*

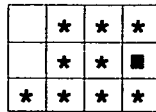

Phleum pratense s.str.

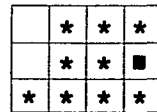

Phragmites australis

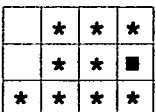

Physalis alkekengi

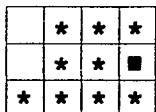

Phyteuma orbiculare s.str.

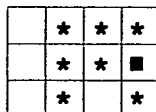

Phyteuma spicatum

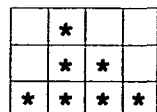

Picea abies

Pimpinella major

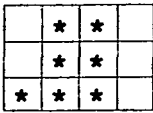

Pimpinella saxifraga s.str.

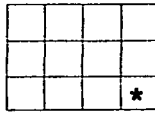

Pinguicula alpina

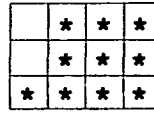

Pinguicula - Polygala

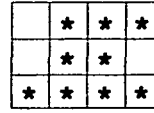

Pinguicula vulgaris

Pinus cembra

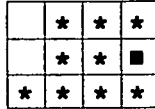

Pinus mugo s.str.

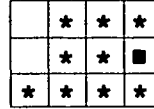

Pinus sylvestris

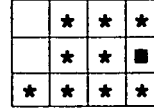

Plantago atrata
subsp. *atrata*

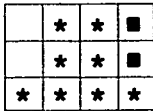

Plantago lanceolata

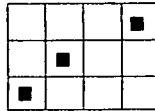

Plantago major

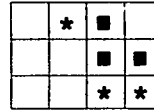

Plantago media s.str.

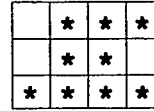

Platanthera bifolia

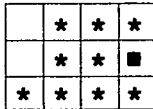

Platanthera chlorantha

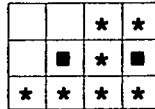

Pleurospermum austriacum

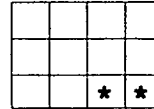

Poa alpina

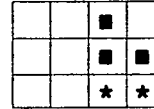

Poa annua agg.

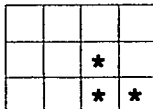

< *Poa annua* s.str.

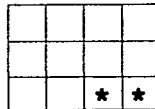

< *Poa supina*

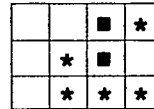

Poa compressa

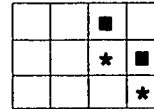

Poa hybrida

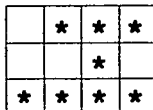

Poa minor

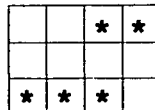

Poa nemoralis s.str.

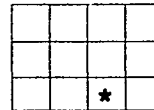

Poa palustris

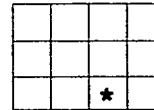

Poa pratensis agg.

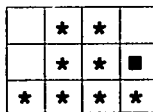

< *Poa pratensis* s.str.

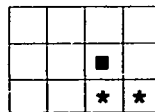

< *Poa stiriaca*

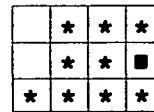

Poa remota

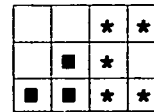

Poa trivialis

Polygala alpestris
subsp. *alpestris*

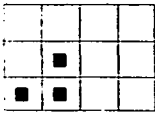

Polygala amara agg.

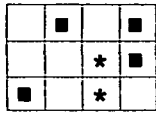

< *Polygala amara* s.str.

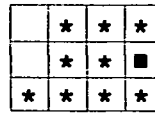

Polygala - Potentilla

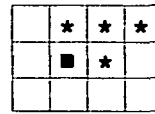

< *Polygala amara*
subsp. *brachyptera*

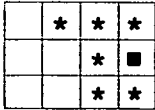

< *Polygala amarella*

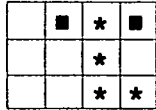

Polygala chamaebuxus

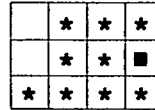

Polygala vulgaris

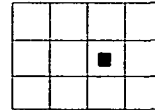

Polygonatum multiflorum

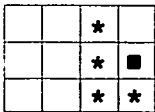

Polygonatum odoratum

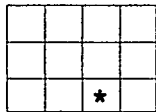

Polygonatum verticillatum

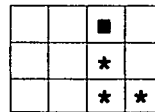

Persicaria amphibia

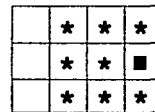

Polygonum aviculare agg.

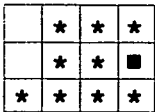

< *Polygonum arenastrum*

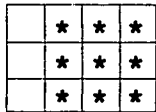

< *Polygonum aviculare*
s.str.

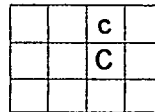

Polypodium vulgare s.str.

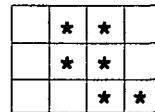

Polystichum aculeatum
s.str.

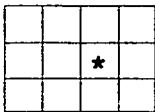

Polystichum lonchitis

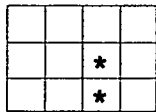

Populus alba

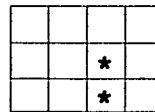

Populus tremula

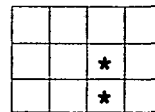

Potamogeton crispus

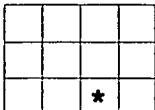

Potamogeton gramineus

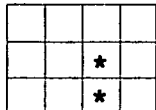

Potamogeton lucens

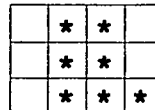

Potamogeton natans

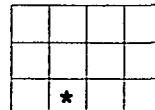

Potamogeton pectinatus
s.str.

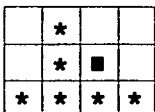

Potamogeton perfoliatus

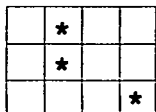

Potentilla anserina

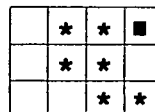

Potentilla argentea agg.

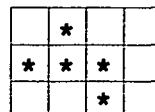

Potentilla aurea

Potentilla brauneana

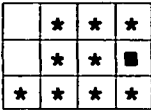

Potentilla caulescens

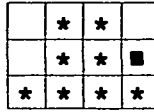

Potentilla cusiana

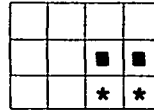

Potentilla - Pyrus

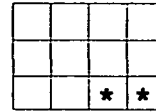

Potentilla erecta

Potentilla reptans

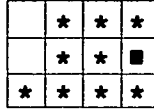

Potentilla verna agg.

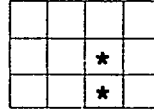

< Potentilla pusilla

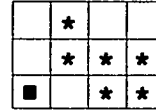

< Potentilla neumanniana

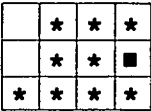

Prenanthes purpurea

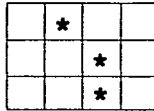

Primula auricula

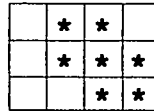

Primula clusiana

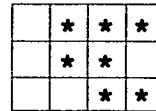

Primula elatior s.str.

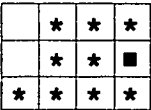

Primula farinosa

Pritzelago alpina
subsp. alpina

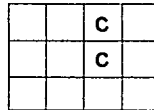

Prunella grandiflora

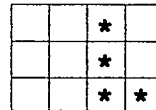

Prunella vulgaris

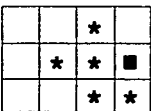

Prunus avium

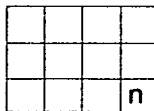

Prunus domestica

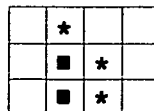

Prunus padus

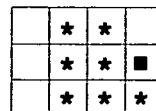

Prunus spinosa
subsp. spinosa

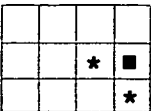

Pseudofumaria lutea

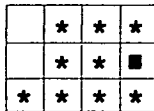

Pseudorchis albida

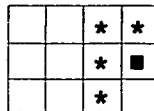

Pteridium aquilinum

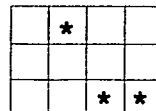

Pulicaria dysenterica

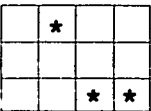

Pulmonaria officinalis agg.

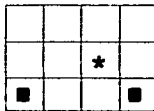

< Pulmonaria officinalis
s.str.

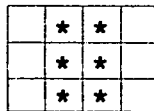

Pulsatilla alpina s.lat.
s.str.

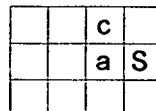

< Pulsatilla alpina
subsp. alpina

Pyrola minor

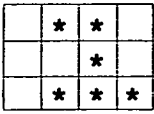

Pyrola rotundifolia
subsp. rotundifolia

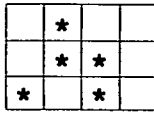

Pyrus communis agg.

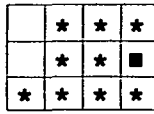

Quercus - Rhododendron

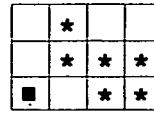

Quercus robur

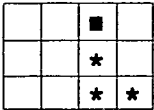

Ranunculus aconitifolius

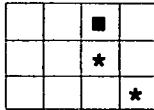

Ranunculus acris s.str.

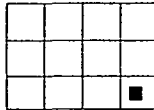

Ranunculus alpestris s.str.

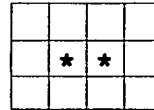

Ranunculus aquatilis agg.

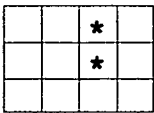

< *Ranunculus trichophyllus*

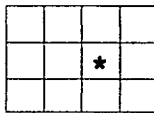

< *Ranunculus trichoph.*
subsp. *lutulentus*

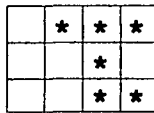

Ranunculus auricomus
agg.

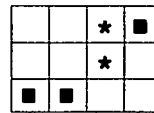

Ranunculus bulbosus
s.str.

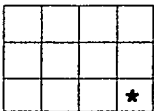

Ranunculus circinatus

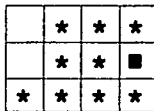

Ranunculus ficaria
subsp. *bulbifer*

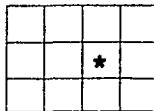

Ranunculus flammula
s.str.

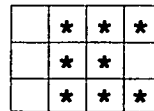

Ranunculus hybridus

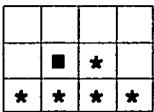

Ranunculus lanuginosus

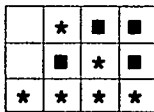

Ranunculus lingua

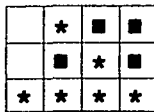

Ranunculus montanus
s.str.

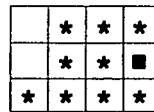

Ranunculus platanifolius

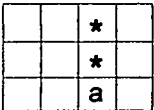

Ranunculus
polyanthemos agg.

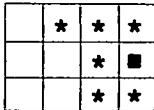

< *Ranunculus nemorosus*

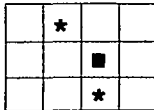

Ranunculus repens

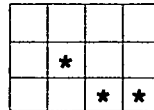

Reseda lutea

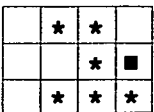

Rhamnus cathartica

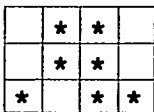

Rhamnus pumila

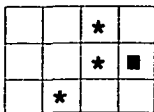

Rhamnus saxatilis
subsp. *saxatilis*

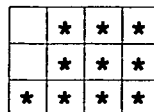

Rhinanthus alectorolophus
subsp. *alectorolophus*

Rhinanthus glacialis

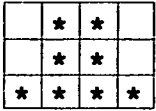

Rhinanthus minor

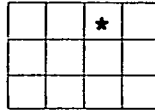

Rhododendron hirsutum

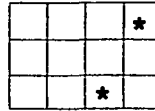

Rhodothamnus - Rumex

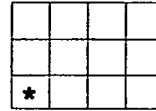

Rhodothamnus chamaecistus

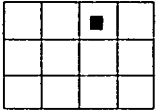

Rhynchospora alba

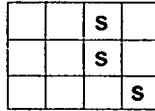

Ribes alpinum

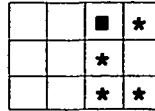

Ribes petraeum

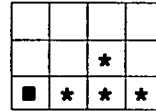

Ribes uva-crispa

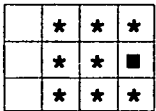

Robinia pseudacacia

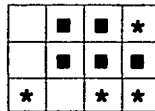

Rorippa palustris

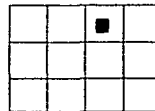

Rorippa sylvestris s.str.

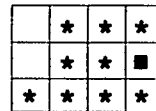

Rosa arvensis

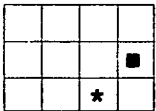

Rosa canina agg.

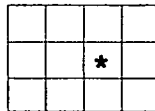

Rosa glauca

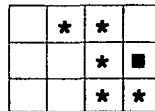

Rosa pendulina

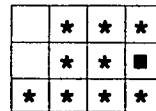

Rosa tomentosa

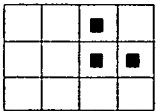

Rosa villosa

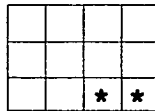

Rubus caesius

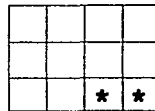

Rubus "fruticosus agg."

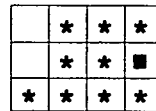

< Rubus bifrons

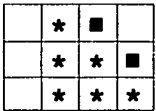

< Rubus clusii

< Rubus hirtus agg.

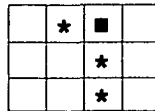

Rubus idaeus

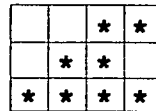

Rubus saxatilis

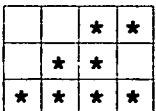

Rumex acetosa

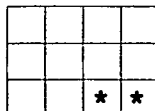

Rumex acetosella s.lat.

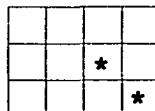

Rumex alpestris

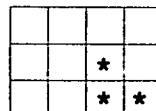

Rumex alpinus

Rumex aquaticus

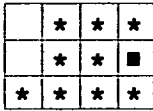

Rumex conglomeratus

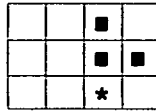

Rumex crispus

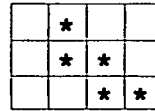

Rumex - Sambucus

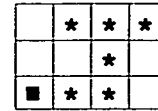

Rumex obtusifolius

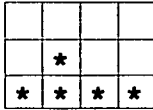

Rumex sanguineus

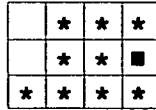

Rumex scutatus

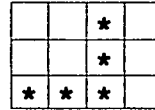

Sagina procumbens

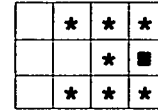

Sagina saginoides

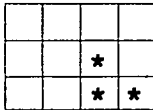

Salix appendiculata s.str.

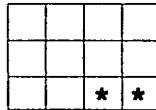

Salix aurita

Salix caprea

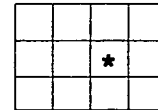

Salix cinerea s.str.

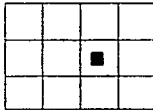

Salix daphnoides

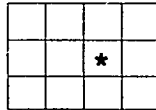

Salix eleagnos

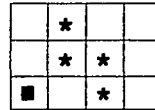

Salix fragilis agg.

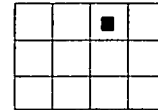

< Salix fragilis s.str.

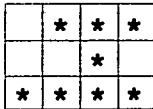

< Salix x rubens

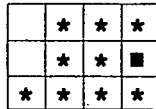

Salix glabra

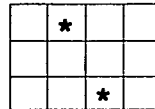

Salix myrsinites agg.

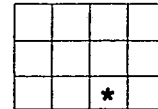

Salix myrsinifolia

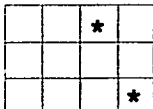

Salix purpurea

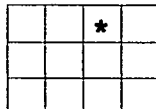

Salix retusa agg.

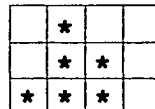

< Salix retusa s.str.

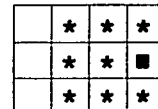

Salix triandra

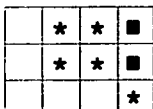

Salix viminalis

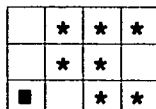

Salix waldsteiniana

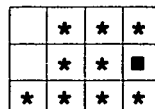

Salvia glutinosa

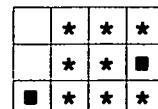

Salvia verticillata

Sambucus ebulus

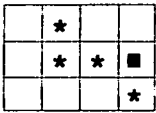

Sambucus nigra

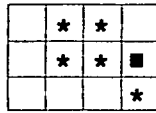

Sambucus racemosa

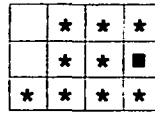

Sanguisorba - Sedum

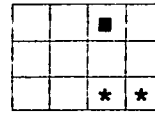

Sanguisorba minor

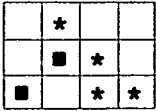

Sanguisorba officinalis

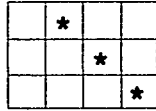

Sanicula europaea

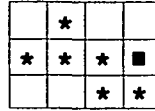

Saponaria officinalis

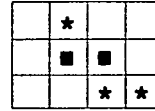

Saxifraga aizoides

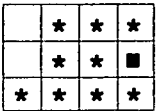

Saxifraga androsacea

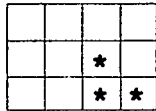

Saxifraga caesia

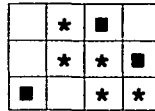

Saxifraga paniculata

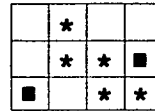

Saxifraga rotundifolia

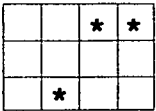

Saxifraga stellaris
subsp.robusta

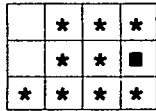

Scabiosa columbaria agg.

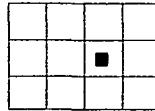

< Scabiosa lucida

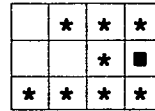

Scheuchzeria palustris

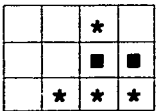

Scirpus sylvaticus

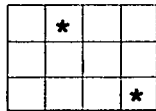

Scorzonera humilis

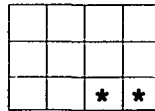

Scrophularia nodosa

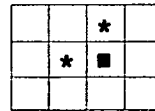

Scrophularia umbrosa

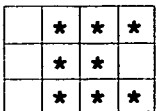

Scutellaria galericulata

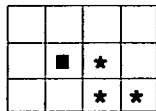

Securigera varia

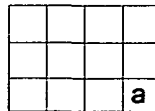

Sedum acre

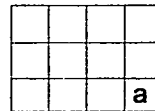

Sedum album

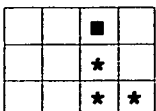

Sedum atratum

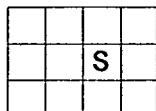

Sedum montanum s.str.

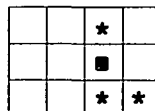

Sedum rupestre agg.

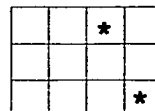

Sedum sexangulare

Sedum spurium

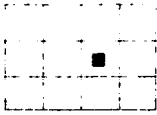

Sedum telephium agg.

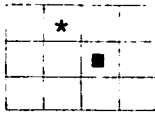

< Sedum maximum

Sedum - Sisymbrium

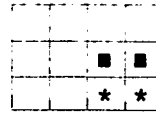

< *Sedum telephium* s.str.

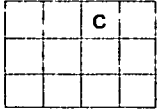

Selaginella helvetica

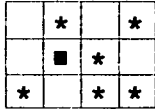

Selaginella selaginoides

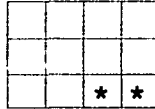

Selinum carvifolia

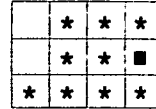

Sempervivum tectorum

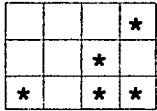

Senecio abrotanifolius

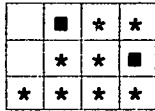

Senecio aquaticus agg.

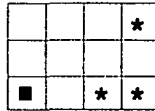

Senecio nemorensis agg.

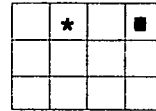

< *Senecio nemorensis*

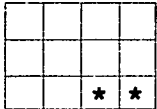

< *Senecio ovatus*

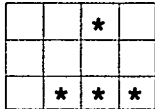

Senecio subalpinus

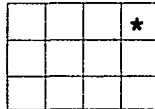

Senecio sylvaticus

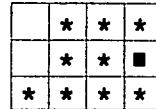

Senecio viscosus

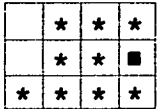

Senecio vulgaris

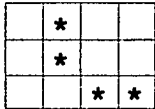

Seseli austriacum

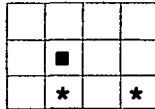

Sesleria varia agg.

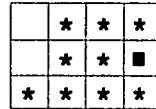

< *Sesleria albicans*

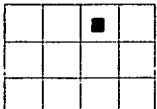

Silene acaulis s.str.

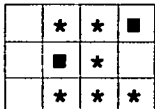

Silene alpestris

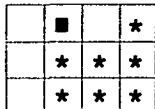

Silene dioica

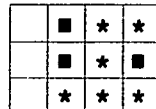

Silene latifolia

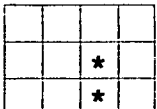

Silene nutans
subsp. *nutans*

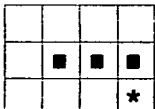

Silene pusilla s.lat.

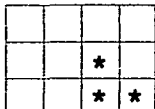

Silene vulgaris

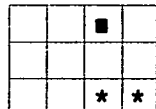

< *Silene vulgaris*
subsp. *glareosa*

< *Silene vulgaris*
subsp. *vulgaris*

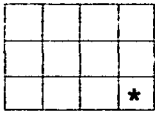

Sinapis arvensis

Sisymbrium officinale

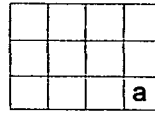

Sisymbrium - Succisa

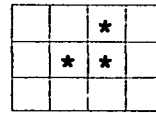

Sisymbrium strictissimum

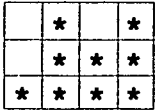

Solanum dulcamara

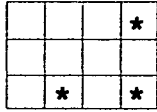

Solanum lycopersicum

Solanum nigrum

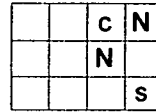

Soldanella alpina

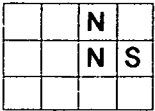

Soldanella montana

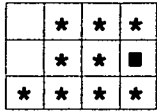

Soldanella pusilla

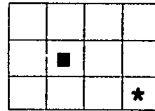

Solidago canadensis

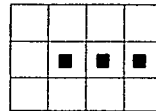

Solidago gigantea

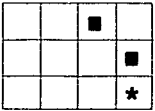

Solidago virgaurea

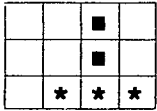

< Solidago virgaurea
subsp. minuta

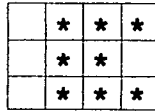

< Solidago virgaurea
subsp. virgaurea

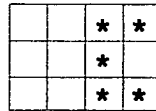

Sonchus asper

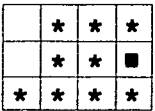

Sonchus oleraceus

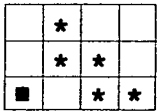

Sorbus aria agg.

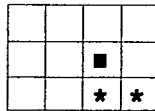

< Sorbus aria s.str.

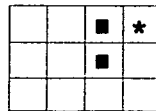

Sorbus aucuparia

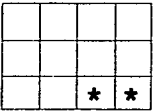

Sorbus chamaemespilus

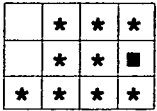

Sparganium erectum

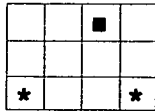

Stachys alpina

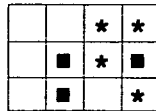

Stachys palustris

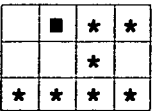

Stachys sylvatica

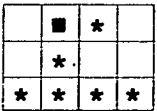

Stellaria alsine

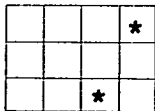

Stellaria graminea

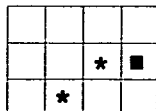

Stellaria media s.str.

Stellaria nemorum s.str.

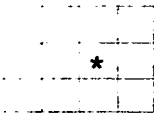

Streptopus amplexifolius

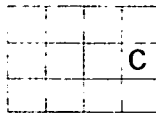

Succisa pratensis

Succisella - Thymus

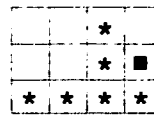

Succisa inflexa

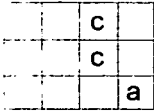

Symphoricarpos rivularis

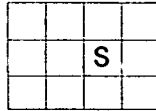

Symphytum officinale
s.str.

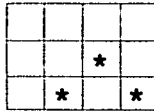

Symphytum tuberosum
s.lat.

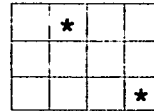

Syringa vulgaris

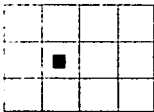

Tanacetum parthenium

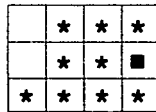

Tanacetum vulgare

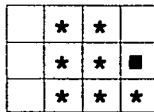

Taraxacum alpinum agg.

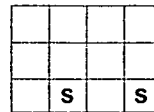

Taraxacum cucullatum
agg.

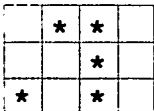

Taraxacum officinale agg.

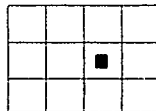

Taxus baccata

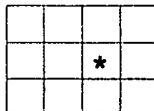

Telekia speciosa

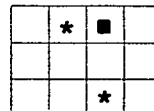

Tephrosia crassa

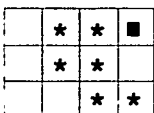

Tephrosia longifolia agg.

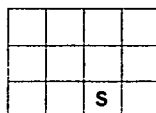

< *Tephrosia tenuifolia*

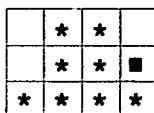

Teucrium chamaedrys

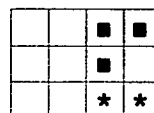

Teucrium montanum

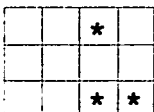

Teucrium scorodonia

Thalictrum aquilegifolium

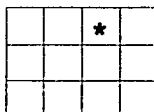

Thalictrum lucidum

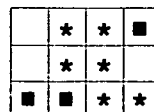

Thalictrum minus s.str.

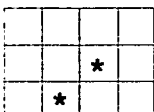

Thelypteris limbosperma

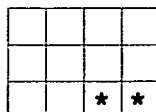

Thelypteris palustris

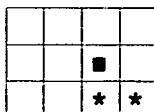

Thesium alpinum

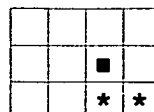

Thlaspi arvense

Thymus chamaedrys agg.

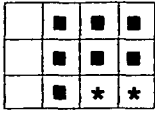

Thymus praecox s.str.

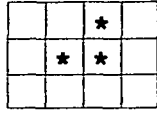

< *Thymus praecox*
subsp. *polytrichus*

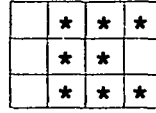

Thymus - Utricularia

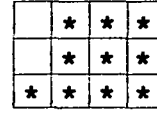

Thymus pulegioides

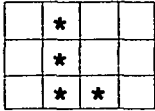

Tilia cordata

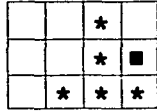

Tilia platyphyllos

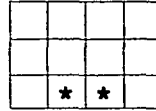

Tofieldia calyculata

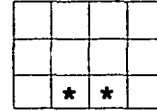

Tozzia alpina

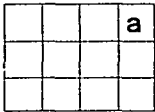

Tragopogon orientalis

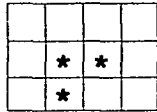

Trichophorum alpinum

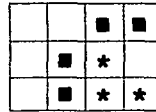

Trichophorum cespitosum
s.str.

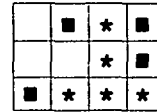

Trifolium aureum

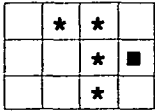

Trifolium dubium s.str.

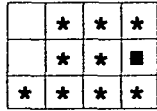

Trifolium hybridum

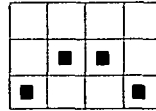

Trifolium medium
subsp.medium

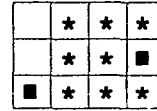

Trifolium montanum

Trifolium pratense

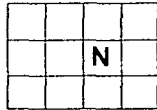

< *Trifolium pratense*
subsp.pratense

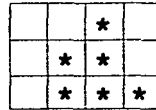

Trifolium repens

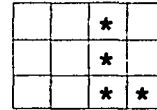

Triglochin palustre

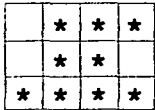

Tripleurospermum
inodorum

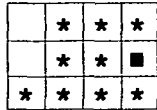

Trisetum flavescens agg.

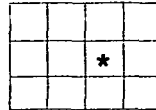

< *Trisetum flavescens*
s.str.

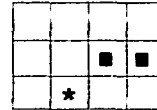

Trollius europaeus

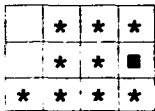

Tussilago farfara

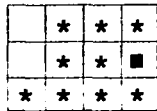

Typha angustifolia

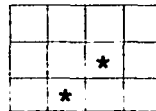

Typha latifolia

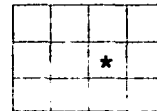

Ulmus glabra

Urtica dioica

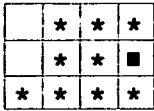

Utricularia minor s.str.

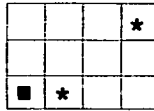

Utricularia vulgaris s.str.

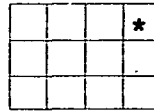

Vaccinium - Veronica

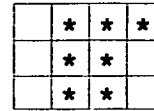

Vaccinium myrtillus

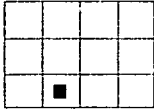

Vaccinium oxycoccus
agg.

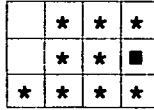

< *Vaccinium oxycoccus*
s.str.

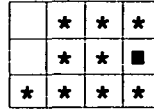

Vaccinium uliginosum agg.

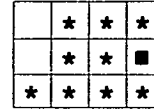

< *Vaccinium uliginosum*
s.str.

Vaccinium vitis-idaea

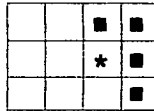

Valeriana dioica s.str.

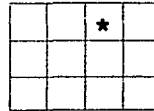

Valeriana montana

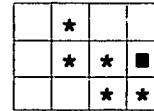

Valeriana officinalis agg.

< *Valeriana officinalis* s.str.

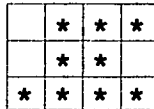

< *Valeriana sambucifolia*

Valeriana saxatilis

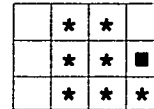

Valeriana tripteris

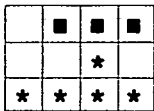

Veratrum album

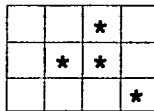

Verbascum alpinum

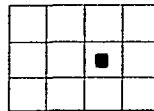

Verbascum nigrum

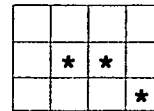

Verbascum thapsus s.str.

Verbena officinalis

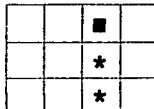

Veronica agrestis

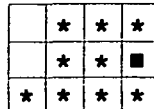

Veronica alpina
subsp. *pumila*

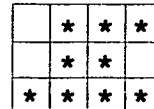

Veronica aphylla

Veronica arvensis

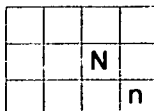

Veronica beccabunga

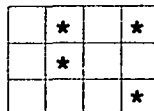

Veronica chamaedrys
s.str.

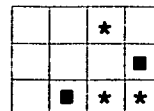

< *Veronica chamaedrys*
subsp. *micans*

Veronica filiformis

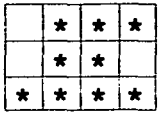

Veronica fruticans

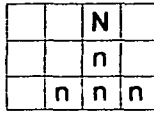

Veronica montana

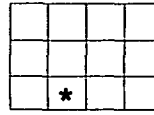

Veronica - Viola

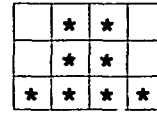

Veronica officinalis

Veronica persica

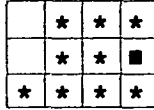

Veronica scutellata

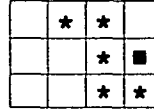

Veronica serpyllifolia

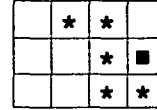

< *Veronica serpyllifolia*
subsp. *humifusa*

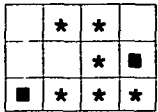

Veronica urticifolia

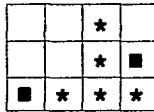

Viburnum lantana

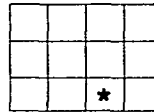

Viburnum opulus

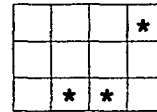

Vicia cracca agg.

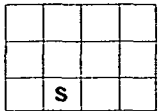

< *Vicia cracca* s.str.

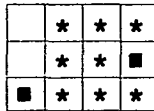

Vicia dumetorum

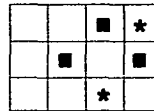

Vicia oroboides

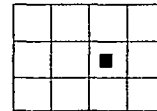

Vicia sativa agg.

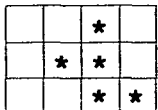

Vicia sepium

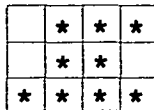

Vicia sylvatica

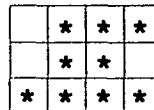

Vicia tetrasperma s.str.

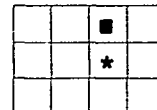

Vinca minor

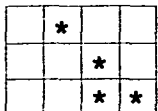

Vincetoxicum hirsutiflorum

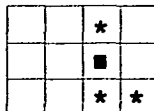

Viola biflora

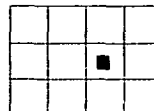

Viola canina

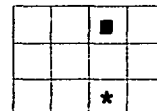

Viola collina

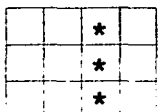

Viola hirta

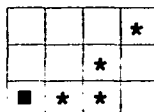

(*Viola hirta* x *odorata*)

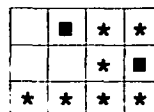

Viola mirabilis

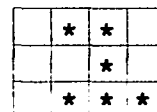

Viola odorata

Viola palustris

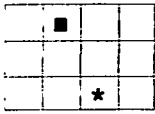

Viola reichenbachiana

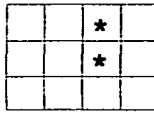

Viola riviniana

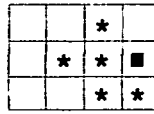

Viola -

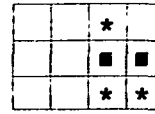

Viola rupestris

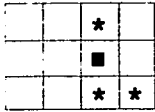

Viola tricolor agg.

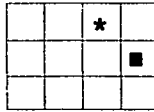

Viscum album agg.

< Viscum abietis

< Viscum album s.str.

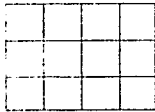

< Viscum laxum

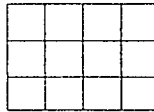

Xerolekia speciosissima
